# TEMPERANCE SONGS

## For God and Home and Every Land

Time of Prayer—Noontide

"It is always noontide somewhere,  
And across the awakening continents  
From shore to shore, somewhere,  
Our prayers are rising evermore."

## That New Member

Mrs. Howard Teasdale

Tune, "Coming Through the Rye"

Have you got her, that new member  
For our temperance band?  
Have you got her, that new member  
To help free our land?  
Have you got her, that new member  
To protect our youth?  
Have you got her, that new member  
To help spread the truth?

## Temperance Doxology

Tune—Old Hundred

Praise God, from whom all blessings flow;  
Praise Him, who saves from deepest woe;  
Praise Him who leads the temperance host  
Praise Father, Son and Holy Ghost.

## Eternal Vigilance is the Price

(Tune: "Yankee Doodle")

Eternal Vigilance is the price,  
The price of prohibition  
You dare not weaken nor give up,  
'Till victory's completion.

CHORUS:

Get the Slogan on your heart  
Give it contemplation;  
Eternal Vigilance is the price,  
The price of Prohibition.

Wake up, get up, stay up and work  
For greater prohibition.  
We'll win the day, yes, come what may,  
Because of your devotion.

H. L. B.

## Obey the Law!

Tune—Maryland, My Maryland

The call is ringing, far and wide,  
"Obey the law!" "Obey the law!"  
From city, town and countryside,  
"Obey the law!" "Obey the law!"

And loyal patriots, one and all  
Lest ill our country should befall,  
Will promptly answer to the call,  
"Obey the law!" "Obey the law!"

Our Constitution now maintain,  
"Obey the law!" "Obey the law!"  
Till justice everywhere shall reign,  
In public life and private, too,  
We call for men with vision true,  
Who'll dare this vital thing to do,  
"Obey the law!" "Obey the law!"

Rev. C. E. Nichols.

## The More We Get Together

(Tune: "Augustine")

The more we work together, together, together,  
The more we work together, the better 'twill be.  
For your work helps my work, and my work helps your work,  
The more we work together, the better 'twill be.

The more we pray together, together, together,  
The more we pray together, the stronger we'll be.  
For your faith helps my faith, and my faith helps your faith,  
The more we pray together, the stronger we'll be.

The more we vote together, together, together,  
The more we vote together, the drier we'll be.  
For my votes are dry votes, and your votes are dry votes,  
The more we vote together, the drier we'll be.
